Departure Location:	London (Southampton), England
Return Location:	Reykjavik, Iceland
Tour Validity:	12 Aug - 20 Aug 2026

Day 01: EMBARKATION -London (Southampton), England

Southampton is the largest city and port on the south coast of England. Tour the historic byways of Old Town with its Medieval walls and Tudor architecture. Spend an hour or two meandering along the pathways of Royal Victoria Country Park, picturesquely set along the waterfront on the grounds of a former military hospital where Florence Nightingale once worked. Southampton's maritime past can be explored by strolling along the Town Quay with its marina and lively bars and restaurants. It was here that the Titanic departed on its fateful journey and where the Mayflower sailed for the New World.

Day 02:

Stop into our boutiques and browse a wide range of items – upscale handbags to exclusive fragrances to fine jewelry – in an intimate and unhurried setting. You'll also find swim wear, Regent Seven Seas Cruises® logo wear and gift items to share with friends and family. Our boutiques are staffed by friendly salespeople. Opening hours vary and are printed in the Passages daily newsletter.

Day 03: Edinburgh (Rosyth), Scotland

Edinburgh is Scotland's bustling capital city, renowned for its culture and traditions. At the center of the city, explore the World Heritage Site of Old Town and its historical area known as `Royal Mile` as you pass delightful multi-storied houses and quaint side streets. You may also visit the impressive St. Giles Cathedral, dating from the 14th and 15th centuries, and known for its famous crown spire. Discover the Palace of Holyrood House, Scotland's primary Royal Palace. Dating from the late 15th century, it is the official Scottish residence of the Queen.

Day 04: Invergordon, Scotland

Invergordon has a tremendous history stretching back through two World Wars. Ideally situated in the center of the eastern Highlands, Invergordon received its name from Sir William Gordon, a landowner of the 18th century. For centuries the estate on which Invergordon now stands was known as Inverbreakie, or "the mouth of the Breakie." The Breakie presumably is the stream which enters the Firth at Rosskeen Bridge, near the old parish church west of the present Town.

Day 05: Lerwick (Shetland Islands), Scotland

Explore Stone Age ruins, heather-covered moors and the rugged Scottish highlands in Lerwick, capital of the Shetland Island Archipelago. With its dramatic cliffs, Grand Victorian houses, charming Shetland ponies, and Nordic heritage Lerwick offers hours of entertainment. Set off on your own to get an historic overview at the Shetland Museum and Archives on the waterfront. Stroll through the numerous galleries and quaint shops looking for unique art, fine hand knitted sweaters made from the wool of Shetland Sheep and beautiful knitted lace. The local-made beer and whiskey is well worth a visit to a pub.

Day 06: Torshavn (Faroe Islands), Denmark

Surrounded to the north and southwest by towering mountains with dramatic landscapes, Tórshavn is a picturesque port steeped in Viking history. Main attractions include Tinganes, the oldest part of town, with small wooden houses covered in turf roofs. Explore Nordic House, widely regarded as one of the finest examples of modern Nordic architecture; and Listasavn Føroya art museum. To fully experience the Faroe Islands' ancient history, visit the ruins of Magnus Cathedral.

Day 07: Cruising the Atlantic Ocean

As the flagship restaurant aboard each of our ships, the wonderfully spacious Compass Rose serves breakfast, lunch and dinner and features an exceptional variety of European-inspired Continental cuisine, as well as flavorful vegetarian and kosher dishes. Elegantly decorated in blues and silvers with stunning Versace tableware, this sumptuous eatery delights with a beautifully refined atmosphere bathed in natural light during the day.

Day 08: Heimaey, Iceland

Heimaey is the largest island in the Vestmannaeyjar cluster, approximately 4 nautical miles off the south coast of Iceland. Currently Vestmannaeyjar is the home to around two million puffins, and many millions of other birds. At around one in the morning on January 23, 1973, a volcanic eruption of the mountain Eldfell began on Heimaey. The eruption lasted until July. The encroaching lava almost destroyed the harbor, but it was saved by constantly spraying cold seawater.

Day 09: DISEMBARKATION - Reykjavik, Iceland

Just as Iceland is a unique country, rugged and remote, yet modern and enjoying Nordic standards of affluence, so Reykjavik is a beautifully diverse capital city. As Iceland’s capital and its main center of population, the city of Reykjavik offers a fascinating mixture of the traditional and the very technically advanced. In addition, its natural beauty leaves a lasting impression. Visit the remarkable solfatara fields of Krýsuvík where you’ll discover an expanse of steaming volcanic vents and boiling hot springs, framed dramatically by a range of multi-colored hills.
