Inspired, refined and varied cuisine, prepared by talented French chefs

All meals onboard, Captain's welcome cocktails and gala dinner and open bars Drinks and selected alcohol.

EXPEDITION TO THE EDGE OF THE ICE SHEET

14 Days 13 Nights | from Reykjavik, Iceland - Kangerlussuaq, Greenland - Paris, France

TENTATIVE ITINERARY

Day 1 - Day 2 REYKJAVIK (D)
Make your own way to pier on board the ship on Day 1, as embarkation starts between 4pm to 5pm.

AT SEA (B/L/D)
Make the rest of the free day to explore Reykjavik. Visit Hallgrímskirkja, Perlan, or perhaps book a tour to famous thermal lagoons of the Blue Lagoon or Sky Lagoon. Ship depart at 6pm

Day 3 TASIILAQ - SERMILIK FJORD (B/L/D)
In Tasiilaq, on Ammassalik Island, follow in the wake of Captain Jean-Baptiste Charcot's famous ship, the Pourquoi Pas ?, which set off with its crew in 1935 to discover this small island of primitive and wild beauty that remained unexplored until the end of the 19th century. You will be captivated by the spectacular scenery of the Sermilik Fjord, the largest in the south-east of Greenland.

Day 5 SKJOLDUNGEN (B/L/D)
Discover Skjoldungen Island on the south-east coast of Greenland. This uninhabited land boasts magnificent landscapes that are sure to dazzle you.

Day 6 PRINS CHRISTIAN SUND (B/L/D)
Your ship glides silently towards the Greenland coast, in a setting punctuated by pointed peaks and majestic glaciers... You are on the verge of crossing the Prins Christian Sund, a narrow channel that stretches out and zigzags over some one hundred kilometres between Greenland's south-east and south-west.

Day 7 HVALSO - I GALIKU (B/L/D)
Around you, a grassy meadow filled with flowers stretches out, dotted with imposing granite rocks. Nestling on the southern tip of Greenland, Igaliku offers a peaceful panorama, dominated by high snow-capped mountains and vibrant valleys of flowers on fine days.

Day 8 IKKA FJORD (B/L/D)
As you sail through the majestic Ikka Fjord in south-west Greenland, you will discover over 10,000 years of underwater geology, for mysterious columns up to 20 metres high, formed several millennia ago, rise up from the seabed.

Day 9 NUUK (B/L/D)
Nuuk is situated at the mouth of one of the largest networks of fjords in the world, where the waters never freeze. The town spreads gently out towards the Davis Strait and enjoys an historic center that is particularly rich in national heritage.

Day 10 SISIMUT (B/L/D)
Discover Sisimiut, Greenland's second largest town. This picturesque Greenlandic town showcases colorful stilt houses amidst a rolling landscape, with a small fishing port serving as the gateway to the icy surroundings.

Day 11 PAUL-EMILE VICTOR BASE CAMP, EQI GLACIER SISIMUT (B/L/D)
The Eqi Glacier stands out as one of the region's most awe-inspiring sights. In this serene landscape, the only sounds are the resounding roars and cracks of the ice.

Day 12 DISKO BAY (B/L/D)
East of Baffin Bay lies Disko Bay, filled with numerous icebergs from the UNESCO World Heritage Site, Ilulissat Icefjord. This location is a prime spot for observing humpback whales in the area.

Day 13 NOORALAK (B/L/D)
Located a few kilometres away from the Arctic Circle, the Nooralak peninsula features raw and untamed beauty. Nature reigns supreme here, with the tundra stretching as far as the eye can see, decked out in various forms of flora and inhabited by Greenland's emblematic fauna — snow buntings, common ravens, reindeer, musk oxen, and the discreet Arctic fox. The heights of Nooralak afford sublime panoramas over the Itteleq fjord, whose water reflects the moving skies of the Far North.

Day 14 KANGERLUSSUAQ - PARIS (B)
Disembarkation at 8.00am. After breakfast, transfer to airport for flight to Paris (5hr 20mins). Tour end at airport

*Strongly recommend to stay extra night in Paris
